

Bover

Domita S/20/13L

Technical details

Pays de fabrication	 Espagne
fabricant	Bover
concepteur	Benedetta Tagliabue
année	2019
protection	IP20
Contenu de la livraison	LED
aptitude de tension	110 - 240 Volt
Diamètre en cm	195
matériel	aluminium, bois, Fer
couleur de câble	noir
réglage de la hauteur	hauteur déterminée
atténuation	dimmerable sur place
base/version	GU10
LED	y compris
canopée Dimensions	29 cm
couleur de l'abat-jour	bois
Diamètre de l'ombre	20 cm
Hauteur de Abat	26 cm
remplacement des ampoules :	sur le site meme
Les performances du système	13 x 8 Watt (max.)
hauteur totale	272 cm
Dimensions	Ø 195 cm

Description

The multiple pendant lamp Bover Domita S/20/13L consists of thirteen individual pendants, which are suspended from the canopy in different lengths. The shades of the Bover Domita S/20/13L pendant are made of completely natural beech wood. The cables run laterally out of the round brown canopy and are fixed to the desired position with ceiling fixings. The position of the individual pendant lights can thus be determined by yourself. Each of the thirteen lampshades has a diameter of 20 cm and is 25.5 cm high. The light of the Bover Domita S/20/13L is emitted directly downwards, but also diffusely through the braiding of the lampshade and at the same time distributed to the sides. The light sources in the GU10 sockets inside the lamps are interchangeable. The total height of this pendant lamp with black cables is 272 cm.
