## Description

The Foscarini Spokes 2 Midi has both a diameter and a height of 45 cm. Its lamp shade consists of metal spokes that are vertically fixed. The pendant lamp emits its light directly downwards. Part of the light also illuminates the lamp shade, creating a play of light and shadow on the lamp.

The Spokes 2 Midi is available in white, copper, graphite, black and gold. It has two integrated LEDs. Its electrical supply line runs along a spoke in the lamp shade, so that it is not visible from the outside. The pendant lamp is available in a non-dimmable and a DALI dimmable version. The DALI dimmable version can also be dimmed with Push. The Spokes 2 Midi is also available as a MyLight lamp, which can be dimmed with the Casambi App via Bluetooth using a smartphone or tablet. The cable with a maximum length of 340 cm can be shortened if required. On request, the lamp is also offered with a longer cable.
