Technical details

Pays de fabrication	 Italie
fabricant	Oluce
concepteur	Joe Colombo
année	1976
protection	IP20
Contenu de la livraison	LED 230 Volt
aptitude de tension	110 - 240 Volt
matériel	aluminium, métal
couleur de câble	noir
atténuation	dimmerable sur place
base/version	G9
Transférabilité	sur la conduire
Puissance (max. Watt)	5 Watt
Pied de lampe dimensions	15 cm
remplacement des ampoules :	sur le site meme
Dimensions	H 34 cm

Description

The Oluce Mini Coupé 2201 is offered here as a set of 2 lamps with the same finish. This table lamp is a smaller version of the lamp that Joe Colombo already designed in 1976. It has a height of 34 cm and an adjustable lamp shade made of aluminum. Its shade can be moved in height along the light rod and can also be rotated as desired, so that the light can be directed exactly where it is needed. The table lamp is available in the surfaces black glossy, bronze anodised, mustard yellow and scarlet red. The aluminum lamp shade and the metal lamp base are supplied in the same colour. The lamp rod is always made of chrome-plated metal. There is an on/off switch on the supply cable. The Mini Coupé 2201 can be operated with a replaceable G9 LED retrofit.
