

Mawa

Pure table lamp LED

Oberfläche

- noir
- gris
- sable
- blanc

Technical details

Pays de fabrication	 Allemagne
fabricant	Mawa
concepteur	Marco Schölzel
année	2020
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	aluminium
angle du faisceau	38 degrees
couleur de câble	noir
longueur de câble	352 cm
atténuation	Touchez gradateurs sur le bâton de lumière
Puissance en Watt	11 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	800
La température de couleur en Kelvin	2.700 extra blanc chaud
Pied de lampe dimensions	19 cm
tête de luminaire masse	10 cm
remplacement des ampoules :	chez le fabricant / a l'usine
Dimensions	H 55 cm

Description

The Mawa Pure table lamp LED can be tilted by 22 degrees. Its lamp head can be rotated by 360 degrees and swivelled by 90 degrees. For adjustment, there is integrated a practical, chrome-plated handle on the lamp head. The light is distributed directly and glare-free from the lamp.

The Pure table lamp LED is available in the surfaces black matt, white matt, sand silver and basalt grey matt. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as illuminant. The lamp is switched and dimmed via a push button dimmer in the upper part of the lamp rod. The lamp is switched on or off by briefly pressing the push button dimmer once. The light can be dimmed continuously by pressing it longer. The last set light intensity is saved via a memory function and automatically selected again the next time the light is switched on.
