Ax-LED Pendant Lamp Vertical

Oberfläche

- nickel brillant
- nickel satiné
- noir

Technical details

Pays de fabrication	 Allemagne
fabricant	Steng
concepteur	Peter Steng
concepteur 2	Andreas Steng
année	2012
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Diamètre en cm	1
matériel	métal
longueur de câble	300 cm
réglage de la hauteur	hauteur déterminée
atténuation	gradateur cordon avec
Puissance en Watt	18 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	1.500
La température de couleur en Kelvin	2.700 extra blanc chaud
Dimensions	H 150 cm Ø 1 cm

Description

The Steng Ax-LED Pendant Lamp Vertical is suspended from the ceiling by a cable. There is a counterweight at the bottom of the lamp. The lamp is not connected to the ceiling via a power connection, but via a two-metre long supply cable with plug. A dimmer is integrated on the supply line. The suspension cable has a total length of 300 cm and can be shortened on site if necessary.

The Ax-LED Pendant Lamp Vertical is available in the surfaces satin nickel, glossy nickel and matt black with fine structure. The lamp has a length of 150 cm and is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white. The light is emitted from the lamp homogeneously and glare-free indirectly onto the wall.
