

Domus

Drum

Technical details

Pays de fabrication	 Allemagne
fabricant	Domus
année	1997
protection	IP20
Contenu de la livraison	Leuchtmittel/ Bulb
aptitude de tension	110 - 240 Volt
Diamètre en cm	14
matériel	bois, Lunopal
surface	blanc
atténuation	dimmerable sur place
base/version	E27
Puissance (max. Watt)	50 Watt
Dimensions	H 15 cm Ø 14 cm

Description

The Domus Drum ceiling lamp scores with its simple Scandinavian design that never goes out of fashion. The lamp body made of beech wood is surrounded by a white lampshade made of Lunopal. Lunopal is a high-quality shade material that was developed by Domus. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant and does not yellow. The Domus Drum ceiling light has a diameter of 14 cm and is 15 cm high. The Drum ceiling light has an E27 socket and can be operated with conventional halogen bulbs as well as with LED retrofit bulbs.
