

LDM

Santo Gala Grande

Version

- aluminium
- bronze
- noir
- argent
- blanc

Technical details

Pays de fabrication	 Allemagne
fabricant	LDM
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	aluminium
angle du faisceau	124 degrees
atténuation	deux gradateurs a senseur commutables et graduables separement
LED	y compris
Indice de rendu des couleurs	>95
La température de couleur en Kelvin	2.850 blanc chaud
remplacement des ampoules :	chez le fabricant / a l'usine
Les performances du système	4 x 14,5 Watt
Flux lumineux total en LM	2.400
hauteur totale	115 cm
Dimensions	L 240 cm

Description

The LDM Santo Gala Grande is a pendant lamp with a length of 240 cm. Four LEDs are integrated next to each other in the lamp, which emit most of their light directly downwards. Via two sensor dimmers, the two left and the two right LEDs can be switched and dimmed in pairs without touching. A wiping hand movement in the respective sensor area switches two LEDs on or off. To dim the light of two LEDs, the hand is held in the sensor area for a longer period of time.

The Santo Gala Grande is made of aluminum and is available in polished aluminum, silver metallic, bronze, black and white matt. All surfaces except polished aluminum are powder-coated. The lamp is suspended from the ceiling by two cables, two power connections are required on the ceiling. The LDM pendant lamp has a total height of 115 cm, special cable lengths are also available on request.
