

Licht im Raum

Ocular Square 310 LED

Oberfläche

- acier inoxydable brossé
- Acier inoxydable poli à la main
- Laiton nature
- noir
- noir /or
- blanc

Technical details

Pays de fabrication	 Allemagne
fabricant	Licht im Raum
concepteur	Licht im Raum
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
matériel	acier Inoxydable, laiton, verre
longueur de câble	200 cm
réglage de la hauteur	hauteur déterminée
atténuation	tournant dimmer
LED	y compris
La température de couleur en Kelvin	2.700 extra blanc chaud
Diamètre de la lentille	67 mm
Les performances du système	4 x 4,7 Watt
Flux lumineux total en LM	2.532
Dimensions	B 31 cm L 31 cm

Description

The Licht im Raum Square 310 LED is a pendant lamp that is suspended from four cables. It has a length and width of 31 cm each. Its four lenses with LEDs are arranged squarely in the lamp body and can be swivelled within. The light is emitted evenly and focused downwards through these four lenses. The lenses each have a diameter of 67 mm. The lamp can be regulated via a rotary dimmer on the lamp.

The Square 310 LED is made of high-quality stainless steel or brass, depending on the surface. It is available in the following surfaces: brushed stainless steel, hand-polished stainless steel, matt black, white, natural brass and black / gold. The cables with a maximum length of 200 cm can be shortened if necessary.
