

B.Lux Lite Hole S60

Oberfläche

- cuivre
- noir
- or
- blanc

Technical details

Pays de fabrication	 Espagne
fabricant	B.Lux
concepteur	David Abad
protection	IP20
Contenu de la livraison	LED
aptitude de tension	230 - 240 Volt
Diamètre en cm	60
matériel	aluminium, verre acrylique
longueur de câble	250 cm
réglage de la hauteur	hauteur déterminée
atténuation	Poussez dimmable
Puissance en Watt	17,4 W
LED	y compris
Indice de rendu des couleurs	>90
Flux lumineux en lm	3.416
La température de couleur en Kelvin	3.000 blanc chaud
canopée Dimensions	12 cm
Dimensions	H 8 cm Ø 60 cm

Description

The B.Lux Lite Hole S60 pendant lamp consists of two concentric aluminum rings that sit on top of each other. Its lamp body has a diameter of 60 cm and a height of 6 cm. A diffuser made of opal white acrylic glass prevents any glare and distributes the light directly downwards.

The Lite Hole S60 is available in white matt, black matt, copper and gold. It is suspended with four cables that have a maximum length of 250 cm and can be shortened if necessary. The integrated LED has a colour temperature of 3,000 Kelvin and can be dimmed with Push or DALI. Push requires a 4-wire mains cable for dimming, DALI requires a 5-wire cable. A version that can be dimmed with a Casambi module by smartphone via Bluetooth is also available on request. Besides this pendant lamp, the Lite Hole is also offered with a diameter of 90 cm or 120 cm.
