Fläks Shelf Lamp

Technical details

Pays de fabrication	 Allemagne
fabricant	Domus
concepteur	Urban Schnieber
année	2013
protection	IP20
Contenu de la livraison	LED 230 Volt
aptitude de tension	110 - 240 Volt
Profondeur en cm	29
matériel	Chêne, feutre, Lunopal, métal, Textile
couleur de câble	gris
atténuation	gradateur cordon avec
base/version	E27
Puissance (max. Watt)	15 Watt
LED	y compris
remplacement des ampoules	sur le site meme
hauteur totale	55 cm
Dimensions	B 40 cm

Description

The Domus Fläks Shelf Lamp has a lamp rod made of oak and a lamp shade made of Lunopal. Lunopal is a high-quality material and was developed by Domus for its lamp shades. It reminds of fine, Japanese paper and does not fade. Including the lamp shade, the shelf lamp is 55 cm high. The included shelf made of white lacquered metal is 29 cm deep and 40 cm wide. The Fläks Shelf Lamp can be regulated via a hand dimmer on the supply line. The lamp has an E27 socket and can be operated with replaceable LEDs (retrofit). Two different coloured felt cases, a letter stand and a wooden bowl are offered as accessories.
