Pied de lampe dimensions	longueur 50, largeur 50 cm
remplacement des ampoules :	sur le site meme
Les performances du système	2 x 8 Watt
hauteur totale	204 cm

Description

The Marset TXL 2019 205 makes it possible to illuminate the outdoor area as comfortably as the indoor area. The lamp shade is made of robust and flexible synthetic fibres. The shade has a diameter of 70 cm and is available in the colours beige and grey. The grey lamp base made of concrete provides a safe stand. The lamp base has a length and width of 49.8 cm.

The TXL 2019 205 floor lamp is offered as a lamp that is dimmable with a leading or trailing edge phase dimmer or with an integrated Casambi module. The version with Casambi module is dimmed with the Casambi app by smartphone / tablet via Bluetooth. The outdoor floor lamp has two E27 sockets and can therefore be operated with replaceable LEDs (retrofits). In addition to this floor lamp, the TXL 2019 with a height of 170 cm is also offered from the series.
