| <b>Omvang van de levering</b>     | LED                                                                                        |
| <b>voltage geschiktheid</b>       | 110 - 240 Volt                                                                             |
| <b>materiaal</b>                  | ijzeren, koperen                                                                           |
| <b>oppervlak</b>                  | blauw                                                                                      |
| <b>kabel kleur</b>                | blauw                                                                                      |
| <b>kabellengte</b>                | 280 cm                                                                                     |
| <b>dimmen</b>                     | cord dimmer                                                                                |
| <b>Kleurweergave-index</b>        | 80                                                                                         |
| <b>Lichtstroom in lm</b>          | 2.240                                                                                      |
| <b>Kleurtemperatuur in Kelvin</b> | 2.700 extra warm wit                                                                       |
| <b>bulb vervangen:</b>            | bij de fabrikant / fabriek                                                                 |
| <b>prestaties van het systeem</b> | 16 x 1 Watt                                                                                |
| <b>Dimensions</b>                 | H 220 cm                                                                                   |

### Omschrijving

The Catellani & Smith Sorry Giotto 3 is a floor lamp with a lamp body of three rings. It has efficient, dimmable LED technology. Enzo Catellani designed this floor lamp in the year 2012 with a base and a lamp rod in waxed iron. The three ring-shaped light bodies made of copper are carefully painted blue by hand.

The lamp uses 16 modern 1 Watt LEDs with a colour temperature of 2,700 Kelvin extra warm white and 1.600 lm. These LEDs can be changed if needed. A dimmer is also included. The Sorry Giotto collection belongs to the family Eco Logic Light. In this large group modern, energy-saving LED lights are summarized which are regarded as particularly environmentally friendly and energy-saving.
