Omschrijving

This Luceplan Costanza Suspension Up and Down can be adjusted via the counterweight of chrome in height. The height can be adjusted between 100 and 220 cm. There are offered different shade colours for this lamp. With a decentralized canopy, which is offered as an accessory, the Costanza pendant lamp can also be installed independently of the mains plug.

Apart from this pendant light with counterweight, a height-adjustable version with telescopic rod is also available.
