jaar 2015 bescherming IP20 Omvang van de levering LED

voltage geschiktheid 110 - 240 Volt

Projectie in cm 56

kabellengte

materiaal het smelten, staal, textiel

180 cm

base/versie E14
schakelbaarheid aan de lijn
Vermogen (max. Watt) 15 Watt
LED inclusief
Schaduw diameter 13 cm

schermhoogte 14 cm

**bulb vervangen:** ter plaatse zelf **Dimensions** H 42 cm

### Omschrijving

The Anglepoise Original 1227 Mini Lamp with Desk Lamp can be mounted on tables or shelves with a thickness of 1 cm to 6 cm. With its movable articulated arm, the clamp lamp can be repositioned again and again. The lamp head can be individually tilted and rotated. The addition of a neat cable clamp means that it is possible to attach the 180 cm long cable to the articulated arm exactly where it is needed using the on/off switch. This lamp also uses as with other Anglepoise lamps the proven constant tension spring technology developed by industrial designer George Carwadine especially for the British manufacturer. Thanks to this tension spring technology, the clamp lamp remains in any set position.

The Original 1227 Mini Lamp with Desk Lamp is available in the surfaces jet black, linen white and dove grey. Lamp shade, articulated arm and clamp are each in the selected surface. The lamp shade has a diameter of 13 cm and a height of 14 cm. It is made of steel and all versions are glossy lacquered. The clamp is made of cast iron, the adjustable articulated arm is made of aluminum. LED retrofit or compact fluorescent lamps are suitable as light sources. A table base in the matching surface is included in the scope of delivery.
