Technical details

Land van fabricage	 Italië
fabrikant	Stilnovo
ontwerper	Pio & Tito Toso
jaar	2017
bescherming	IP40
Omvang van de levering	LED
voltage geschiktheid	230 - 240 Volt
Diameter in cm	56
materiaal	ijzeren, polymethylmethacrylaat, polyurethaan
kabellengte	400 cm
dimmen	geïntegreerde Drukknop dimmer
Wattage	36 W
LED	inclusief
Kleurweergave-index	90
Lichtstroom in lm	4.042
Kleurtemperatuur in Kelvin	3.000 warm wit
lichtverdeling	direct en indirect
Dimensions	H 195 cm Ø 56 cm

Omschrijving

The Stilnovo Oxygen FL2 is a floor lamp with a straight rod. The lamp shade contains a diffuser made with OptiLight technology in which micro incisions are laser engraved on the diffuser. When the lamp is switched off, the diffuser is transparent due to this technology. When switched on, the diffuser directs the light of the LEDs upwards and downwards thanks to the micro incisions. This floor lamp is available in the surfaces white, black, blue and yellow. The shade is white from the inside in every version. Thanks to the IP40 degree of protection, the lamp is protected against solid components with a diameter of 1 mm or more. A push dimmer is integrated on the cable. With the memory function, the last brightness level set is saved when the lamp is switched on.
