Omschrijving

The Stilnovo Mongolfier P2 is a pendant lamp that wraps around itself, until it takes on the contours of a circular airy shape. It is available in black painted metal, rose gold or black nickel finish. Perfect for lighting a dining table or living room, its vintage hints are also ideal for creating the right atmosphere in a restaurant or bistro. Warm Tune™ dimming technology allows the light from the LED source to be varied in intensity and colour temperature.

The brand new Warm Tune technology, through its cutting-edge LEDs, evokes the old incandescent lamps. The lower the intensity, the warmer and softer the light, until a candle effect is reached. The arrayLED source and the study of the dedicated optical units ensure unprecedented visual comfort, a perfectly clean light cone and a high colour rendering index (CRI92): the same characteristics are found when the lamp is set both at the maximum intensity, with a 3,000 Kelvin colour temperature, and at the minimum intensity, with a 1,800 Kelvin colour temperature. This pendant light is suitable for cluster compositions and dimmable on site. With an optional Casambi module it can also be dimmed via Smartphone App.
