Omschrijving

The Stilnovo Xilema FL is a floor lamp, sober and straight that fits perfectly into any interior environment. Xilema FL's lighting solution adheres to a WallWasher optic lighting model that washes walls in soft, dim light. TopLED source and body in white or polished aluminum, into which a PMMA diffuser is inserted. The concrete base characterises the floor lamp and gives it additional personality, counterbalancing the subtle minimalism of the illuminating rod. Geometric perfection and technology meet in this rigorous floor light, ideal for lighting the interiors of accommodation facilities and private residences. Switching on and dimming by touching a touch button.
