## Bolle PL G

### Oberfläche

- doorzichtig
- wit

### Technical details

<b>Land van fabricage</b>	 Italië
<b>fabrikant</b>	Vistosi
<b>ontwerper</b>	Barbara Maggiolo
<b>jaar</b>	2003
<b>bescherming</b>	IP20
<b>Omvang van de levering</b>	Leuchtmittel/Bulb
<b>voltage geschiktheid</b>	110 - 240 Volt
<b>materiaal</b>	kristalglas, metaal
<b>dimmen</b>	dimbaar op locatie
<b>base/versie</b>	E27
<b>Vermogen (max. Watt)</b>	77 Watt
<b>Schaduw diameter</b>	25 cm
<b>Dimensions</b>	H 30 cm

### Omschrijving

The Vistosi Bolle PL G is a ceiling lamp with a shade made of mouth-blown crystal glass. The balaton technique is used for the processing, whereby air bubbles are enclosed into the glass for a special texture. This texture multiplies the reflections on the surface of the shade and creates a halo effect on the ceiling around the lamp. The Bolle PL G ceiling lamp is available in crystal transparent and white. The metal parts of the lamp are satin nickel-plated in both versions. This light can be operated also with E27 LED retrofit lamps.
