

Cini & Nils

Convivio pendant lamp 2-lights LED

Oberfläche

- chroom
- zwart

Technical details

Land van fabricage	 Italië
fabrikant	Cini & Nils
ontwerper	Luta Bettonica
ontwerper 2	Mario Melocchi
jaar	2005
bescherming	IP20
Omvang van de levering	LED
voltage geschiktheid	230 - 240 Volt
Diameter in cm	11
materiaal	aluminium, glas, messing, staal
kabellengte	385 cm
hoogteverstelling	hoogte bepaalbaar
dimmen	dimbaar op locatie met faseafsnijding dimmer
LED	inclusief
Kleurweergave-index	92
Kleurtemperatuur in Kelvin	2.800 warm wit
luifel Dimensions	14 cm
prestaties van het systeem	2 x 13 Watt
Totale lichtstroom in lm	2.600
Dimensions	H 65 cm Ø 11 cm

Omschrijving

The Cini & Nils Convivio pendant lamp 2-lights LED emits its light directly downwards, whereby the light is bundled by transparent glass lenses. This creates a distinctive, clear illumination. The 2-lights pendant lamp has a decentralised canopy, so that the lamp can be installed independently of the power supply. In addition, it is also possible to choose any distance between the two pendulums during installation.

The Convivio pendant lamp is available in black matt and chrome finish. Two LEDs are integrated as light sources, which can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed via Bluetooth with the Casambi app by smartphone / tablet. On request, the pendant lamp can be supplied with an already integrated Casambi module. The cable length can be set individually by the installation.
