Omschrijving

The glass for the Mawa Pisa is individually and elaborately handmade, which means that small bubbles or slight deviations in size and glass thickness may occur. These are signs of handcrafted quality. This pendant light is available in two versions:

- Version 1: Suspension black
- Version 2: Suspension brass

The canopy is outside and inside black in both versions. The version with the suspension in brass has a decorative element in brass under the canopy. On request, this lamp is also available with a suspension in white or rose-gold. The Pisa is delivered with a black, 250 cm long cable as standard. On request, the pendant lamp is also on offer with other cable lengths and colours.
