<b>hoogteverstelling</b>	hoogte bepaalbaar
<b>dimmen</b>	geïntegreerde Drukknop dimmer
<b>Wattage</b>	27 W
<b>LED</b>	inclusief
<b>Kleurweergave-index</b>	90
<b>luifel Dimensions</b>	Lengte 23 cm, breedte 4 cm
<b>totale hoogte</b>	400 cm
<b>Dimensions</b>	B 3,5 cm   L 143 cm

## Omschrijving

The Steng LEDy 143cm is an energy-efficient LED pendant lamp that is characterised by volume in the material, simplicity in the design and high functionality. This elegant pendant lamp is milled from solid material on precision machines and the metal surface is then refined to a high standard. The lamp is available in the surfaces black matt, satin nickel or glossy nickel. The black matt surface has a fine structure.

This LEDy has a length of 143 cm. The lamp is also available from Steng with a length of 103 cm. The lamp profile is 3.5 cm wide and 0.9 cm high. The elongated pendant lamp has a maximum total height of 400 cm, its cables can be shortened if necessary. It has an integrated mini push button dimmer next to the suspension, which is barely visible at the bottom of the lamp housing. With this push button dimmer, the light can be dimmed steplessly. The integrated LED is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. On request, the LEDy is also available with 2,300 Kelvin extra warm white, 4,000 Kelvin white or 6,500 Kelvin cool white.
