### Omschrijving

The Bover Nut PF/10 Outdoor is a ceiling lamp with a bell-shaped lamp shade made of stainless steel and aluminum. The lamp shade has a diameter of 10 cm and is 11.6 cm high. Including the ceiling mounting, the lamp has a total height of 12.9 cm.

The Nut PF/10 Outdoor is available in the shade colours white, black, terracotta and light grey. All colours are textured. The ceiling mounting is always supplied in black. This ceiling light is so hard-wearing and weather-resistant that it is also suitable as an outdoor light. With a protection rating of IP65, the ceiling light is dustproof and protected against water jets from any angle. The light is emitted directly downwards and is always glare-free thanks to a diffuser made of polycarbonate.

The Nut PF/10 outdoor ceiling lamp is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white.

Nut is a collection of discreet lamps characterised by their ergonomic and striking shape. They are extremely versatile lamps that can be operated easily and intuitively.
