

Byok

Squadra Mono 125

Oberfläche

- Aluminium polerowane
- Matt aluminium
- aluminium na czarno
- satyna biały proszek powlekane

Technical details

Kraj produkcji	 Niemcy
producent	Byok
projektant	Kai Byok
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
tworzywo	aluminium
długość kabla	250 cm
regulacja wysokości	wysokość ustalona
ściemnianie	ściemnialna kontroli faz przyciemniania
LED	Łącznie
Wskaźnik oddawania barw	90
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
wydajność systemu	8 x 3,6 Watt
Całkowity strumień świetlny w lm	2.448
dystrybucja światła	pośrednio
Dimensions	H 4 cm B 9 cm L 125 cm

Opis

The Byok Squadra Mono 125 is an elongated pendant lamp in a clear design. This creates the characteristic lines. The suspension hooks are attached to one side of the Squadra Mono 125. The filigree steel cables emphasise the puristic look.

The ends of the lamps are closed with matt-transparent and translucent end caps. In this way, the Squadra Mono 125 sets additional light accents when illuminated. The integrated LEDs can be dimmed on site with a trailing edge phase dimmer. On request, they are also available with gesture control and Dim2Warm technology. With gesture control, the light is dimmed by holding the hand flat under the lamp. By using Dim2Warm technology, the light takes on a warmer colour when dimmed. When dimmed, the light colour of the LEDs changes from 2,700 Kelvin extra warm white to 2,100 Kelvin extra warm white.

The LED lamps are integrated in sockets, so the bulbs can be replaced individually. The Squadra Mono 125 is available in four finishes. Byok also offers two larger lamps from the Squadra Mono series (Squadra Mono 165 and 200).
