Opis

This Serien Lighting Curling Suspension Rope pendant light is mounted from the ceiling with stainless steel cables. It can be individually adjusted in its total height between 15 cm and 195 cm during installation. This lamp emits its light directly downwards and softly diffused all around. It is available in three sizes. The lamp shade of the Small lamp has a diameter of 18 cm, the Medium lamp shade 25 cm and the Large lamp shade 33 cm.

The Curling Suspension Rope LED clear/ cylindrical opal is available with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. DALI dimmable versions are also offered on request. In addition, the Small and Medium lamps are available with a dim to warm function on request. Here, the dimming behaviour of classic incandescent lamps, which is perceived as pleasant, is imitated during dimming.
