### Opis

The Coupé 1158 by Oluce is a wall lamp from the year 1967 by Joe Colombo. As some of the other lamps of the series, it has a bent arm at the end of a lamp head. The head is rotatable and can be adjusted in its height at will due to the variable arm of the lamp.

The bow arm is made of shiny chromed metal, the lamp head is black. The wall light has a power cord.
