## Opis

The Catellani & Smith Medouse F is a floor lamp with a spherical shade made of glass. It is offered with glass in green or transparent. When the green lamp is switched off, the lamp shade looks like dark green. When switched on, however, it looks light green transparent. Both the green and the transparent lamp have an aluminum ring on the lamp shade. The lamp shade is available in two sizes: with a diameter of 30 cm or 50 cm. The base of both versions has the same dimensions, a diameter of 16 cm and a height of 1.5 cm. The floor lamp has IP65 protection and is therefore dustproof as well as protected against water jets from any angle. This lamp is therefore also suitable for outdoor use. The Medouse F is delivered with plug cable. On request, it is also offered without plug cable. The plug cable has a total length of 350 cm. An LED is included as illuminant.
