Tilt Globe Wall Short

Oberfläche

- czarny
- szary
- biały

Technical details

Kraj produkcji	 Niemcy
producent	Nyta
projektant	jjoo design
rok	2017
ochrona	IP20
zakres dostawy	Leuchtmittel/Bulb
napięcie przydatność	110 - 240 Volt
Głębokość w cm	23
tworzywo	aluminium, tekstylny
pedestał/wersja	E14
Możliwość zmiany trybu	na uchwycie ściennym
Moc (maks. W)	46 Watt
dystrybucja światła	bezpośrednio
Uchwyt ścienny Wymiary	9 cm
Dimensions	H 19 cm

Opis

The Nyta Tilt Globe Wall Short is a wall lamp with a rotating shade. The shade can be rotated by 360 degrees, which allows the light distribution to be readjusted again and again. The shade of this lamp is made of matt lacquered aluminum and is available in the following surfaces: white, black and grey. From the inside, the shade is always white. The wall bracket has the same surface as the shade. This wall light is mounted directly on the power outlet, on request it is also available with cable. The cable colours black, white, grey, red, light blue and light green are optionally available. An on/off switch is integrated on the wall bracket. The wall light can be operated with LED retrofit lamps or halogen lamps.
