Opis

The Brokis Knot Small Disco smoke brown is 14.5 cm high and has a diameter of 30 cm. It has a mouth-blown glass in smoke brown. Top of the glass is an integrated metal reflector, which is worked by hand during production. This reflector is available in the colours black matt, chrome black, brass, brushed stainless steel and copper. The canopy always has the matching colour to the reflector. The cable running through the lamp is tied in a knot at the bottom. On request, the pendant lamp is available as a not dimmable version. The Knot Small Disco is here available with a smoke brown glass, it is also offered with a smoke grey, transparent or opal glass. From this series is also on offer the larger Knot Disco with a diameter of 50 cm.

If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
