

Cini & Nils

Convivio pendant lamp 2-lights LED

Oberfläche

- chrom
- czarny

Technical details

Kraj produkcji	 Włochy
producent	Cini & Nils
projektant	Luta Bettonica
projektant 2	Mario Melocchi
rok	2005
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
Średnica w cm	11
tworzywo	aluminium, mosiądz, stal, szkło
długość kabla	385 cm
regulacja wysokości	wysokość ustalona
ściemnianie	ściemnialna kontroli faz przyciemniania
LED	łącznie
Wskaźnik oddawania barw	92
Temperatura barwowa w stopniach Kelvina	2.800 biała ciepła
baldachim Wymiary	14 cm
wydajność systemu	2 x 13 Watt
Całkowity strumień świetlny w lm	2.600
Dimensions	H 65 cm Ø 11 cm

Opis

The Cini & Nils Convivio pendant lamp 2-lights LED emits its light directly downwards, whereby the light is bundled by transparent glass lenses. This creates a distinctive, clear illumination. The 2-lights pendant lamp has a decentralised canopy, so that the lamp can be installed independently of the power supply. In addition, it is also possible to choose any distance between the two pendulums during installation.

The Convivio pendant lamp is available in black matt and chrome finish. Two LEDs are integrated as light sources, which can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed via Bluetooth with the Casambi app by smartphone / tablet. On request, the pendant lamp can be supplied with an already integrated Casambi module. The cable length can be set individually by the installation.
