

Knapstein

THEA-T

Oberfläche

- nikiel
- czarny
- brąz

Technical details

Kraj produkcji	 Niemcy
producent	Knapstein
projektant	Knapstein
rok	2019
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	110 - 240 Volt
Projekcja w cm	52
tworzywo	metal
ściemnianie	kontrola gestow
Moc w watach	13 W
LED	łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	1.700
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
świeczniku Wymiary	17 cm
wymiana żarówek:	u producenta / w fabryce
Dimensions	H 56 cm

Opis

The lamp head of the Knapstein THEA-T table lamp can be individually adjusted with a swivel and tilt joint. The lamp can be tilted at the base of the lamp via a ball joint. The lamp can be switched and continuously dimmed by gesture control. The sensor of the gesture control is located on the lamp head. The lamp is switched on and off with a wiping hand movement in the sensor area. To dim the lamp continuously, the hand is held below or above the sensor for a longer period of time. A memory function saves the last light intensity setting and automatically selects it the next time the lamp is switched on. In the event of a mains failure, the lamp is automatically switched on again if it was previously switched on. It remains switched off if it was also switched off before. This function is suitable for use with switchable sockets. The THEA-T is available in matt nickel, black and bronze effect.
