

Loom Design

Odin

Technical details

Kraj produkcji	 Dania
producent	Loom Design
ochrona	IP65
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
tworzywo	aluminium, szkło bezpieczne
Moc w watach	22 W
LED	Łącznie
Strumień świetlny w lm	1.900
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
Dimensions	H 90 cm B 16 cm L 16 cm

Opis

The Loom Design Odin bollard lamp is well suited as an outdoor lamp with IP65 protection, as it is dustproof and protected against water jets from any angle. The light is emitted directly downwards from the lamp and illuminates the ground homogeneously in a radius of 360 degrees. The Odin has a height of 90 cm and is 16 cm wide as well as long. It is made of black die-cast aluminum and aluminum profiles. In front of the light source there is clear safety glass, which is particularly shock and impact resistant as well as insensitive to temperature differences. The bollard light is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white.
