Moc w watach	12,9 W
LED	Łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	1.269
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
Dimensions	H 20 cm L 86 cm

Opis

This Betec Clarus has a length of 86 cm and a projection of 11 cm (bracket type 11). Its lamp head can be rotated around its own axis so that a picture can be illuminated without glare. The lamp is ideal for illuminating pictures, menus and music stands. The high constant light output with low power consumption and extremely long service life are ideal prerequisites for modern picture lighting.

The Betec Clarus 86 cm is available in the following surfaces: glossy brass, matt brass, chrome, glossy nickel, matt nickel, burnished, matt black, glossy gold and matt gold. The scope of delivery includes a mounting set with which the light can be easily attached directly to a picture or to the wall. As standard, the picture light is supplied with a colour temperature of 2,700 Kelvin extra warm white. On request, it is also available with 2,400 Kelvin extra warm white, 3,000 Kelvin warm white or 3,100 Kelvin white. The integrated, dimmable LED features very good colour rendering with a high colour rendering index of Ra >90. A touch dimmer is offered as an accessory, with which the lamp can be switched and dimmed by touch. From the Clarus series, there are also available lamps with ten other lengths and with a projection of 17 cm or 22 cm.
