<b>LED</b>	łącznie
<b>Wskaźnik oddawania barw</b>	>90
<b>Strumień świetlny w lm</b>	3.416
<b>Temperatura barwowa w stopniach Kelvina</b>	3.000 biała ciepła
<b>baldachim Wymiary</b>	12 cm
<b>Dimensions</b>	H 8 cm   Ø 60 cm

### Opis

The B.Lux Lite Hole S60 pendant lamp consists of two concentric aluminum rings that sit on top of each other. Its lamp body has a diameter of 60 cm and a height of 6 cm. A diffuser made of opal white acrylic glass prevents any glare and distributes the light directly downwards.

The Lite Hole S60 is available in white matt, black matt, copper and gold. It is suspended with four cables that have a maximum length of 250 cm and can be shortened if necessary. The integrated LED has a colour temperature of 3,000 Kelvin and can be dimmed with Push or DALI. Push requires a 4-wire mains cable for dimming, DALI requires a 5-wire cable. A version that can be dimmed with a Casambi module by smartphone via Bluetooth is also available on request. Besides this pendant lamp, the Lite Hole is also offered with a diameter of 90 cm or 120 cm.
